

August 2020

As we continue to face the challenges of the pandemic, I look forward to a new year of learning, celebrating, and building new connections to each other through our sisterhood. Our strong Temple Kol Ami Sisterhood is the backbone of our congregation. We are active on temple committees, donate our time and funds to temple events, and support our religious school.

**Please join us!** Our Miriam level dues cover the cost of operating sisterhood as well as the dues to the Women of Reform Judaism, nationally and regionally. By choosing Leah, Rachel, Rebecca, or Sarah levels, you will be helping TKA Sisterhood fulfill our mission and support our social action and community outreach goals. Our Naomi level dues are tailored for the younger members of our congregation, encouraging them to participate in Sisterhood. If you want to join us, but can't afford our dues, please contact me personally so that we can make appropriate arrangements.

Your generosity is greatly appreciated! We invite you to select the dues level at which you are most comfortable. Please complete the entire membership form and contact information to help us better communicate with you.

Over the past several months, TKA Sisterhood has increased our on-line presence and has used Zoom to keep in touch with each other and to conduct the business of Sisterhood. We are planning regular Schmooze Hours, educational and entertaining programs, as well as continuing our Rosh Chodesh celebrations. As a member of WRJ, Women of Reform Judaism, you can partake in their informative and enjoyable programming as well. Additionally, we always welcome new ideas for programs or outreach and hope you will share them with us!

We are all feeling the frustration and stress of the ongoing social restrictions during the pandemic. Now is the time to be a part of a warm, supportive group of intelligent women and join in the collective voice of TKA Sisterhood.

Stronger Together,

Susan Farber

President, Temple Kol Ami Sisterhood
